(Sri K. PRABHAKAR)

of the fact that survey has been ordered during 1950 and still they are reporting that they have seen ? Preliminary survey has been done in 1950 and Rs. 10,000 has been spent by the Government and now no examination has ever been made by anybody in spite of your instruction. Will the Government be pleased to see that the whole thing is examined and a proper report is sent to Government ?

Sri Kadidal MANJAPPA.—I have discussed the matter with the concerned engineers at least half-a-dozen times. They are of the view that if a reservoir is constructed there, it will affect the reservoir at Thippagondanahalli.

Sri K. PRABHAKAR.—May I know the grounds on which they refuse to take up the work ?

Sri Kadidal MANJAPPA.—That is the ground. They are of the opinion that the Thippagondanahalli reservoir will be affected.

Sri K. PRABHAKAR.—An alternate proposal to reduce the capacity of the project was being examined ; is it completed ?

Sri Kadidal MANJAPPA.—I want notice for it.

Sri K. PRABHAKAR.—Will the Government be pleased to see that the question is re-examined and a report is received early ?

Sri Kadidal MANJAPPA.—I can only say that we must be bound by the decision of the technical men.

Sri K. PRABHAKAR.—Shall I bring it to the notice of the Government that without examining, without even taking the trouble to go to the spot, they are simply sending reports ?

Sri Kadidal MANJAPPA.—We cannot presume so.

Sri K. PRABHAKAR.—May I ask the Government to tell me when and who examined this spot recently ?

Sri Kadidal MANJAPPA.—The spot has been examined by a number of persons ; recently I suppose nobody has gone there to examine. I want notice for that.

Mr. DEPUTY SPEAKER.—Question-hour is over.
